

Why Work at MedPro Disposal?

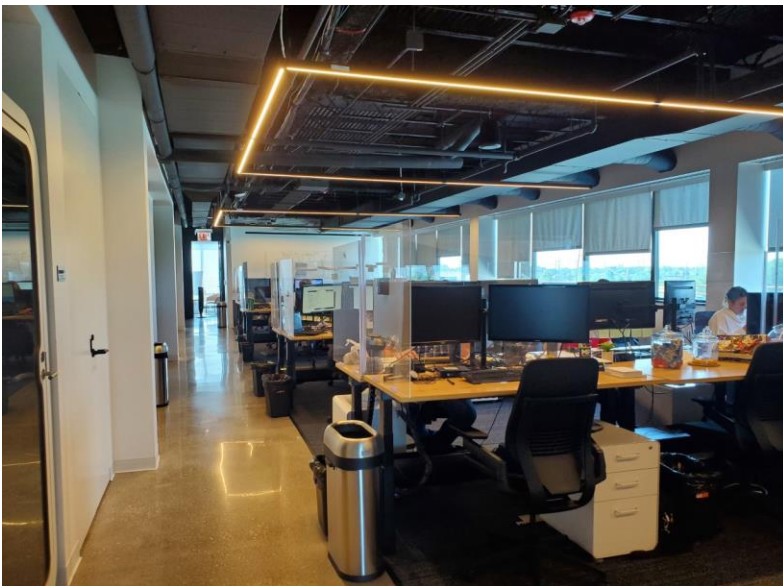

Sense of Purpose

What we do at MedPro Disposal is meaningful. We provide reliable, cost-effective medical waste management and compliance training services to healthcare facilities across the country. We see our impact every day while our customers can continue to do what they do best: help their patients. Our customers are buying solutions that revolutionize the way they do business.

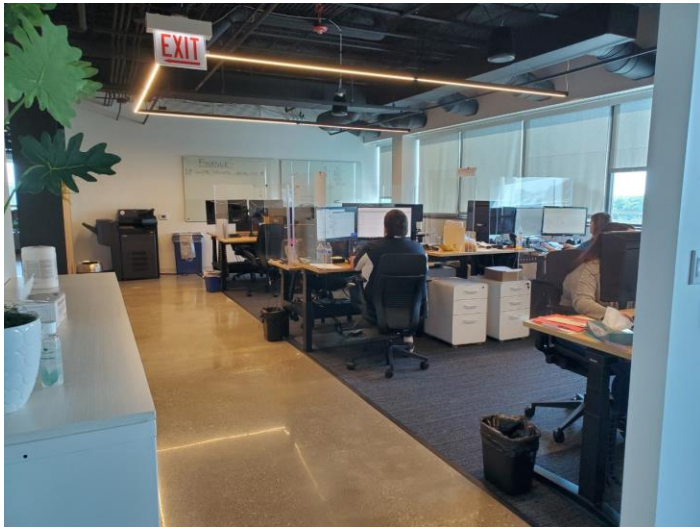

Modern Office Space

We have a very modern, updated and flexible space for our employees to be successful. Each employee has their own Uplift standing desk and are provided with the appropriate technology to be successful. Multiple social spaces encourage a healthy environment for coworkers to socialize during breaks.

Company Culture

We are an open and energetic place to work that values attitude and work ethic above all else. We are building a healthy, high-performance culture where people feel valued, respected and encouraged to contribute all their unique abilities. Here, you'll have meaningful work, continuously learn new skills and have an opportunity to grow as an individual and a team.

Transparency and Feedback

We have a strong culture of feedback and transparency. We learn how to give constructive feedback, how to value it, be open-minded towards it and how to leverage it. With both employees and customers, we strive to promote transparency in every layer of the company.

Company Events

Throughout the year, we try to host various social events for our employees. These events can be by department or company-wide. In the past, we have had food catered for lunch, gone out to dinner, attended Cubs or other sports games, spent the evening at Top Golf and more. We value our employees and the hard work they do, so we make an effort to show our appreciation.

Career Growth

We have the feel of a startup but provide you with the resources of a Fortune 500 company. We are committed to helping our employees build rewarding careers. Regardless of experience, we are willing to train the right person with the right attitude. There is no limit to how successful the right individual can be with our team.
