

RISK OVERVIEW & COMPLIANCE SOLUTIONS

HEALTHCARE PROVIDERS SAVE AN
AVERAGE OF 30% WITH MP1 SOLUTION

MP1 SOLUTION AND YOU

MedPro Disposal has succeeded and grown as a customer-first organization, providing clients with safe, cost-effective services. Our clients are served with an affordable, all-in-one platform designed to organize and streamline their facility's requirements. That brings the foundation of **MP1 Solution**.

Mandated waste management protocols, OSHA and HIPAA requirements, environmental laws, Human Resources management can put organizations at risk for costly fines and operational challenges.

LET'S LOOK AT THE NUMBERS:

3/10 People Know their requirements

1/10 People Say they are meeting them

\$820 Annual Non-compliance costs per employee, in fines, litigations and corrective actions

1 Patient Record Is compromised every second in the US because of cyber attacks

Reduce Up To 70% Security-related risks by investing in user awareness training

Efficient, simple, and cost-effective, MP1 Solution plans offer organizations the client support and tools necessary to keep up to date with compliance regulations, policies, training, and more. The all-in-one platform provides easy access to your program and the technology automates your process and updates and trains your workforce.
